

IPCThreadState::self

```
graph LR; A[IPCThreadState::self] --> B[IPCThreadState::IPCThreadState];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'IPCThreadState::self'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'IPCThreadState::IPCThreadState' on two lines.
